

UL-DVR-LCD-15-8

Features:

- * Triplex functionality: Simultaneous playback/record/network
- * Recording mode: continuous, motion, alarm, schedule
- * 10 days continuous recording at 25fps with 500gig HDD
- * Real Time recording and video signal compression
- * Individual recording frame/video factor adjustment for each channel
- * Motion detection / Video loss alarm function
- * MPEG 4-like compression (Support TCP/IP:static IP/DHCP/PPPoE up to 4 users) IE view
- * USB port for media backup
- * High quality colour video at 50 or 60 fps recording / playback
- * IR remote control unit and PTZ function
- * Power recovery auto-record function

Specifications:

Video input / Output:	NTSC/PAL:BNC 8CH In / 1CH out (composite)
Display Frame Rate (Full Mode):	NTSC:240fps(8x30fps); PAL:200fps(8x25fps)
Recording Frame Rate (Full Mode):	NTSC:MAX 60fps; PAL: Max 50fps
Compression Formate:	Enhanced MJPEG recording, MPEG 4 network streaming Video quality:low@12kBytes;Normal@15Kbytes;High@20Kbytes
Hard Disk Capacity:	Up to 1.0Terabytes, SATA interface HDDx1
LCD Display:	15" Colour LCD
Sensors, Alarms:	4 Input, 1 Output(alarm),2 Pin for RS-485 control PTZ
PTZ Control:	RS-485
Network:	Yes
USB Port for Playback:	Yes
IR Remote Control Unit:	Yes
Audio(1CH input/1CH RCA out):	Yes
PS/2 Mouse:	Yes
HD Interface:	SATA
